### About Palatine Group

Founded in 1976 as Management Worlds, Palatine Group is a leader in project leadership business simulations and technology-based learning solutions. For over 30 years, Palatine has helped their clients solve their unique project leadership challenges, and to accelerate an organization's performance, providing measurable results, while increasing sales, improving customer satisfaction, reducing costs and improving the work environment. Palatine Group was among the first to recognize the value of simulation experiences in developing real-world capabilities among business professionals in the public and private sector, and has delivered the value of that vision to tens of thousands of project practitioners.
